Miss Mackenzie,

Secretary, Board of Graduate Studies,

University of Toronto.

Dear Miss Mackenzie:

President Murray has been here. We have also received word from President MacLean. In view of President MacLean's telegram there is no other course open than to hold the second Alexander Fellowship in History for Mr. Simpson, if he wishes it. He is, however, an applicant for the Rhodes Scholarship for Saskatchewan, though there is a possibility of his not getting it. In case of his not getting it we are agreed that the Scholarship should go to him.

If I am not mistaken there is still one of the Open Fellowships vacant, and in view of the record and the strong recommendation given by Acting President Kerr in behalf of Mr. Milton Brown, I think that we should ask the Mathematical staff whether they would be willing to accept him and then if Mr. Brett is willing I think it would be well to write to Mr. Brown and offer him the position in Mathematics.

Yours sincerely,

President.
